

SHAJIBUR RAHMAN BAPPY

Web Developer

+8801303593806 iambappy990@gmail.com <https://shajibur-rahman-bappy.github.io/Portfolio/>

ABOUT ME

I am a passionate and results-driven Web Developer with expertise in designing and developing responsive, user-centric websites and web applications. Proficient in core web technologies including HTML, CSS, and JavaScript, I also have extensive experience working with libraries and frameworks such as jQuery, Bootstrap, and Tailwind CSS to create visually appealing and intuitive interfaces. My goal is to contribute to innovative web solutions that drive engagement and help businesses grow while continuously honing my skills as a developer.
