About Me

I describe myself as honest, hardworking and supportive to my co workers. I am an organized person, and am willing to discover and accept new ideas which can be put into practice effectively. I am a good listener and learner, able to communicate well with a group and on an individual level.

Career Objective

As a beginner, I strive to associate myself with an organization where I can utilize my skills in the best possible manner, which further gives me an opportunity to grow in my career journey while contributing to the development of the organization. Also i have a keen interest in self development.

Experience
